

New QuickStart Tennis Classes for Kids 10 and Under

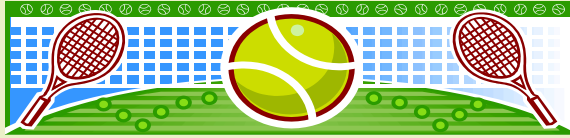

Michelle Obama and the United States Tennis Association (USTA) have joined forces to *get kids moving* with the new *QuickStart Tennis Format* for kids 10 and under. This new system uses modified balls and courts that are sized right for kids so they can learn, play and rally in a way that is more fun. It's all part of America's campaign for a healthier generation of kids. Check it out at <http://10andundertennis.com/>
