President's Message

Dear WTC members and friends,

Ready for a great 2005 tennis season at WTC? Our courts will be opening as early in the spring as possible. Check your e-mail or www.woodstocktennis.com to know when the nets are up and the courts are ready. I look forward to seeing all of you again soon.

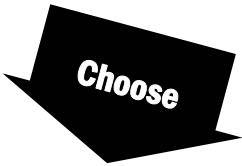

Our membership has substantially increased. We are financially healthy. Last year we purchased new wind screens, made improvements on the shed, installed a shower, and more. This year we will install a hot water heater in the shower, add HarTru to the courts, replace the canopy attached to the shed and keep upgrading our property. We are continuing to set money aside for the inevitable major expense of resurfacing our courts.

As a perk to our bondholders we are increasing the number of free guest passes from two to five this year, you can use them for yourself or for your guests. Since each guest pass will be \$20 in 2005, that represents a \$100 value for those who are bondholders. With other discounted fees and perks a bondholder can save over \$200 each tennis season. Consider becoming a bond holder. It is well worth the investment and supports our club.

We will continue to pay back those who lent us the balance of the money that allowed us to purchase the club. One hundred dollars will be deductible toward your 2005 dues. Our shower was largely paid for by loan holders donating back their loan repayments. Thank you for your generosity.

I want to thank everyone that volunteered their time and energy to keep our club going and improving. Without your efforts we could not go on. Please join us and help make things even better. *(continued on page 2)*
